

The “Infamous” \$100,000+ Template

When you understand the ART of selling then making money online becomes easy.

The template your about to get your hands on has generated over \$100,000+ in affiliate commissions.

Every promotion that I run online follow’s the exact same rinse and repeat formula.

The process is tried & tested and once you give it a go you will be amazed at the results you get.

I’m handing it to you on a platter...

Review, Pre-Sell, Sales copy... what ever you want to call it... just follow the steps below and your conversions will go through the roof.

BEFORE YOU USE THIS TEMPLATE I WANT TO MAKE SOMETHING CLEAR.

The process that you use throughout this review will make people trust you into buying what your offering.

DO NOT use this template to promote crap products. Only promote products that you KNOW are of value to the people who you put this “review” in front of.

You can see that in this particular case I used this template to promote an Internet Marketing product called. “Commission Blueprint 2”... On this occasion it “made” \$4,044.69 in commissions... with MASSIVE conversions...

An amazing \$6.66 per hop (per visitor)...
Free Traffic can't get anymore targeted...

Vendor	Hop Count	Earnings Per Hop	Hops Per Order	Hops Per Order Form Impression	Order Form Impression Count	Order Form Submit Count	Order Form Sale Conversion	Gross Sale Count	Gross Sales Amount
comblue2	607	\$6.66	32	3	182	27	10.44%	19	\$4,044.69

We not trying to have all filler with no content...

So let's move on quickly and get straight into the "content"...

You should have watched the video which will help you to understand the whole "selling process".

All you are required to do is add in the relating product images.

Well let me just say now I'm going to cut through most of the other crap you have read so far about it....

FACT IS: It is nearly impossible to get an unbiased review online these days as the only thing people are interested in is trying to get you to buy the product so they make some commissions...

ENTER YOUR RE-WRITE HERE (EXAMPLE): TRUTH IS: If your looking to find an unbiased review online these day then good luck to you because all it seems like these days is people trying to get you buy the product so they make some commissions instead of giving you an honest and insightful review to help you make up your mind...

I can't be bothered with trying to sell,sell,sell all the time so I'm just going to lay it out on the table for you....

What is Commission Blueprint 2.0?

ENTER YOUR RE-WRITE HERE

I'm not sure if you remember but the original Commission Blueprint was released about year and a half ago and was deemed a HUGE success...

ENTER YOUR RE-WRITE HERE (MY COMMENT) EVERY PRODUCT WONT HAVE HAD A PREVIOUS RELEASE. IF THE PRODUCT ISNT A 2.0

THEN ALL YOU HAVE TO DO IS CHECK FOR PREVIOUS PRODUCT BY THE SAME OWNER AND TALK ABOUT THEM

It broke the Clickbank sales records which I still think it holds to this day...

ENTER YOUR RE-WRITE HERE

At the end of the day all that means is that it had a ton of affiliates promoting the product...

ENTER YOUR RE-WRITE HERE

Before I look to buy any product I always ask myself what the persons track record has been like in the past....

ENTER YOUR RE-WRITE HERE

Was the first Commission Blueprint a good product?

ENTER YOUR RE-WRITE HERE

The answer is definitely yes but it wasn't the be all and end all and there wasn't anything revolutionary in that product...

ENTER YOUR RE-WRITE HERE (MY COMMENTS) YOU WANT TO CONVEY YOUR HONESTY HERE THAT SAYING IT WAS GOOD BUT NOT GREAT KIND OF THING

To be honest it was common information...

ENTER YOUR RE-WRITE HERE

What impressed me was the whole 'Blueprint' aspect...

ENTER YOUR RE-WRITE HERE

I have to take my hats off to Tim Godfrey And Steve Clayton, all though they were not teaching any revolutionary.... The way in which they taught it made it very easy to follow and easy to implement....

ENTER YOUR RE-WRITE HERE

It really did take you by the hand and lead through a few fairly complicated topic matters with ease...

ENTER YOUR RE-WRITE HERE

Getting back to the original question and that is what is Commission Blueprint 2?

ENTER YOUR RE-WRITE HERE

First off let me say I have accessed the product so I'm not just going to spout a bunch of sh*t to you....

ENTER YOUR RE-WRITE HERE

I will take you through it in detail so you can then make an informed choice yourself about whether or not its for you....

ENTER YOUR RE-WRITE HERE

What do you get?

ENTER YOUR RE-WRITE HERE

It comes in 2 parts and various modules:

ENTER YOUR RE-WRITE HERE

A huge library of training videos and manuals which are very clear and concise...

Some software tools that will make your life easier...

ENTER YOUR RE-WRITE HERE (MY COMMENTS) YOU WANT TO LIST A FEW OF THE MAJOR COMPONENTS WITHIN THE PRODUCT

The Good, The Bad And The Ugly....

ENTER YOUR RE-WRITE HERE

Compared to the first Commission Blueprint, they have notched up what they teach quite a bit...

ENTER YOUR RE-WRITE HERE

It is still nothing revolutionary and if you have been trying to make money online for over 6 months and have yet to make a cent then it's probably not for you.

ENTER YOUR RE-WRITE HERE (MY COMMENT) CONVEY MORE HONESTY AND BUILD TRUST BY BASICALLY SAYING THIS ISN'T FOR EVERYONE.

Quite simply because you probably won't get it....

ENTER YOUR RE-WRITE HERE

If you have made some money online, maybe a few hundred bucks here are there then read on as commission blueprint 2 may help you to turbo charge your income efforts...

ENTER YOUR RE-WRITE HERE

Like the first commission blueprint, there is no real groundbreaking training in here, all though I do love the software that is provided. I still wouldn't class it as ground breaking but it does a hell of a job making your life easier and cutting the amount of time you need to spend on your business dramatically...

ENTER YOUR RE-WRITE HERE

The basic aim of commission blueprint 2 is to help provide you with the training and support that is need to grow a 5-figure amount business...

ENTER YOUR RE-WRITE HERE

Don't buy into the sales hype, because it won't be easy to do. However if you follow what they say, use the tools Tim & Steve provide then I do believe you could definitely grow a 4 figure a month business pretty quickly. But for 5 figures it will take you quite a bit longer.

ENTER YOUR RE-WRITE HERE (MYCOMMENT) ONCE AGAIN YOU ARE BUILDING TRUST

I'm not saying it can't be done, I'm just saying it not a realistic a goal....

ENTER YOUR RE-WRITE HERE

Check out my Clickbank stats in a new account over an 8 day period using commission blueprints 2 techniques and software:

ENTER YOUR RE-WRITE HERE (MY COMMENT) YOU WANT TO SHOW A SCRRENSHOT HERE OF SOME PROOF THAT YOU HAVE A GOOD IDEA OF WHAT IS IN THE PRODUCT AND THAT WHAT YOU SAY IS TRUE. YOU CAN EITHER SHOW A SCREENSHOT OF THE MEMBER AREA OR RESULTS YOU HAVE GOT

As you can see these earnings are not groundbreaking or like the other fake earning you see on other peoples sites were they claim they are earning thousands a day from commission blueprint 2 yet they have never used it before in their life, but from my personal use it is still earned over \$1000 in 8 days.

ENTER YOUR RE-WRITE HERE (MY COMMENT) DONT HYPE UP YOUR PERSONAL PROOF. INSTEAD SAY IT WAS GOOD BUT NOT WAS THE SALESLETTER PROMISED BUT STILL GOOD NONE THE LESS

I'm not here to bullshit you.

ENTER YOUR RE-WRITE HERE (MY COMMENT) BUILDING THE TRUST

When I say earning 4 figures a month is realistic then I mean it. But to get to five figures a month would be a lot harder.
